RMB Ventures has acquired a significant stake in the Studio 88 Group of companies – a leading independent sports-lifestyle retailer in sub-Saharan Africa

The transaction positions the Studio 88 Group, including the Skipper Bar and Side Step operations, ideally for continued organic and acquisitive growth, both locally and into the rest of Africa, together with ensuring continuity through the bringing on board of a number of senior management members as first time shareholders. **For more information, contact Amina Pahad on +27 11 282-1413, email amina.pahad@rmb.co.za or Cassim Motala on +27 11 282-4543, email cassim.motala@rmb.co.za**
